The officers tried numerous de-escalation techniques to try and get the male to walk to a cruiser voluntarily, but the male continued to refuse to go. SUBJ: Performance Report

On 3/19/21, Det Snyder started a criminal investigation after a victim reported a sexual assault that occurred in a residence in Patton Township. Det Snyder interviewed the victim and then obtained a search warrant for the suspect's residence. Det Snyder executed the search warrant and gathered evidence that was pertinent to the case. By thoroughly examining the evidence he determined that there was the possibility that there were additional victims. Through diligent investigation, Det Snyder identified and interviewed several other victims and obtained and executed additional search warrants to collect vital evidence. Det Snyder eventually obtained an arrest warrant for the suspect. The suspect was jailed on numerous charges including rape, sexual assault, and strangulation.

It was due to the thorough and professional investigation conducted by Det Snyder that a dangerous individual was arrested and prevented from harming additional victims. His actions reflect the highest credit on himself and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.
