- A 34 year old female was arrested for theft of lost/mislaid property. The female located a wallet in a shopping cart unattended in a Township store. The female stole the wallet.
- A 26 year old male and a 29 year old male were charged with possessing a small amount of marijuana and possessing drug paraphernalia. The males caused a disturbance at a Township business and officers located the contraband during their interaction.
- 3 arrests were made for public intoxication, 3 arrests were made for retail theft, and 3 arrests were made for driving under the influence.
- Officers successfully served 1 warrant. They attempted to serve 9 warrants.
- Officers conducted 6 vacation home checks.

**Use of Force:** PTPD officers used force during two incidents in November 2021. A female was transported to MNMC by EMS for a conscious alcohol overdose and mental health evaluation. At the hospital an officer had to help restrain the female as she had unbuckled herself and was trying to get off the stretcher as they pushed her into the hospital. An EMT and an officer had to push the female back onto the stretcher so that she did not fall off. The female was cited for public drunkenness. There were no injuries to the female or the officer.

Officers were dispatched to deal with a disorderly male. The male mentioned that he had smoked some marijuana and wanted help. Officers summoned EMS to transport the male to the hospital for evaluation and treatment. While waiting for EMS, the male pushed/shoved two officers. The officers guided the male to the ground where they were able to handcuff him behind his back. The male was transported to the hospital by EMS. He was cited for public intoxication and disorderly conduct. No injuries were reported by the male, or the officers involved.

SUBJ: Performance Report

On 10/18/21, Ofc Finochio responded to an address in the Woodycrest neighborhood to check the welfare of a male who made threats of self-harm to a counseling agency. Ofc Finochio arrived at the residence and found the male to be distraught and in possession of a knife. Ofc Finochio spoke with him at length to calm him down and eventually the male folded up the knife and surrendered it. The male then agreed to go to the hospital for evaluation and treatment.

It was due to the de-escalation tactics employed by Ofc Finochio that a serious situation was peacefully resolved and that a person in crisis was provided appropriate treatment. His actions reflect the highest credit on himself and the Patton Township Police Department.

A copy of this report has been made part of the officer's permanent file.
